STATEMENT OF FAITH

We believe that -

- A There is one loving and holy God, existing eternally as Father, Son, and Holy Spirit.
- B It is by the plan and will of God that all things in creation exist. The reality, love and purpose of God for humanity are made known by God to people.
- C The Scriptures of the Old and the New Testaments are the inspired witness to God's revelation. God has given them to us through human agents for our instruction and guidance. They alone have full authority in all matters of faith and conduct.
- D Men and Women are created in the image of God and are given authority and responsibility to rule over creation for the praise and delight of their Maker
- E People through unbelief and disobedience have fallen into sin and brought judgment upon themselves. They are, therefore, separated from God and from the source meaning and purpose of life.
- F Jesus Christ, born of the virgin Mary, is both fully human and fully God. He came into this world to rescue us from sin and free us from every form of bondage. Christ's death in our place provides all we need to be forgiven and to find peace with God.
- G Jesus Christ rose from the grave in a complete triumph over sin, evil, and death. Those who repent of sin and place their faith in Christ share now in that victory and in the future will be raised to eternal life.
- H The Holy Spirit is given to believers to make the victory won by Christ's death and Resurrection real in believer's lives, to enable them to live as Christ's disciples and to empower them to share with others what God has done in Christ.
- I The Church is the community of God's people, over which Christ rules, and to which all believers belong. This universal Church finds its expression in local churches.
- J We look forward to the fulfillment of God's plan for our world in the return of our Lord Jesus Christ to judge all people and to establish justice in God's eternal kingdom.
